

Important Notes:

- High Risk Infant Clinic sees patients who have been discharged home from the NICU but still require close medical supervision for care and treatment.
- CHCS NICU/HRI accepts **all** insurances.
- For HMO/PPO patients initial consult visit should be authorized with consult code 99245 and CPT codes 96112, 96113, 96127, and 92523.
- For HMO/PPO patients follow up visit should be authorized with follow up codes 99215 and CPT codes 96112, 96113, 96127, and 92523.
- If any of the requested CPT codes or quantity of units are changed, denied or not a covered benefit send a CRM to the clinic to notify. Clinic will decide if they would like to continue to see patient or not and will notify FS by noting and tasking CRM back to FS.
- Commercial insurance authorizations must be approved to Loma Linda University Children's Hospital Tax ID 46-3214504 POS: 11: Office. *When procuring for private authorizations please fax to PCP and/or medical group for approvals.
- CCS patients can only use an SCG06 SAR that states HRIF.
- When procuring for a CCS SAR please request SAR for Center Number 7.37.11 - High Risk Infant Follow Up (Regional)
- When procuring for a CCS SAR and you are faxing in the request you must select Loma Linda Children's Hospital NPI # 1366866345 on our fax coversheet. (CCS- LA requires their fax cover sheet and cannot be used with Financial Services fax cover sheet.)
- If CCS is closed still submit when noted. Usually it is a family that has not been seen or might have had a lapse in Medi-Cal coverage.
- When a SAR is approved for an evaluation only please document this in the referral note.
- Always check patients chart and CCS web for an active SAR.
- Always review CCS SAR notes/special instructions.
- Medi-Cal patients no tar required.
- All Pediatric Teams Center Clinics schedule and cancel their appointments.
